ABOUT HERTS BASEBALL CLUB

Herts Baseball Club is one of the largest baseball organisations in Great Britain. The club comprises adult and youth baseball teams playing in the various league tiers of the British Baseball Federation.

Substantial investment in the expansion and upgrade of Grovehill Ballpark, with support from the National Lottery, Sport England, BSUK, Dacorum Borough Council and other organisations, partners and club members, has made it one of the best baseball venues in the country.

In 2019 the Club expanded into north west London with the opening of Basing Hill Ballpark. The development of that venue started in 2021 and is being implemented in several phases.

Herts has hosted some of the largest baseball events in the UK including the BBF National Baseball Championships, Herts Spring League, Herts Futures Tournament, GB Team events.

TERMS AND CONDITIONS OF MEMBERSHIP

By registering as a member you agree to abide by the [Club's Constitution](#), Terms and Conditions of Membership for [Adult](#) and [Youth](#) Members, [Covid Disclaimer Terms and Conditions](#), [Online Clubhouse Terms of Use](#), and applicable club and league [codes of conduct](#).

All of the membership categories listed above have full voting rights at general meetings, subject to being 14 years of age or over.

¹ Non-Roster Members are not rostered with the Herts adult league teams therefore this membership is not suitable if you are interested in league play. However, Non-Roster membership entitles you to take part in all Herts training sessions for adult members as well as other selected competitions/events such as the Hunlock Series and the Herts Spring League.

² U18 Baseball is not listed in the youth membership categories as that age group will be playing their season in the senior leagues, therefore U18 players should register as Adult members. The club may still enter an U19 or U18 or U17 team in the National Championships and/or the U17 UK and European Little League Qualifiers and players will be informed of the one-off entry fee to enter those competitions.

MEMBERSHIP FEES

The membership fees for the different categories are listed below. As in previous years, we are running a tiered membership fee structure to reflect the costs of running the different teams. The fees cover the costs of BBF affiliation, civil liability and other insurance costs, ground lease and maintenance, team equipment (bats, balls, helmets, catchers' gear, etc), umpiring fees, team and administrative staff costs, hire of external venues and other costs of running the respective teams.

COVID

Some events may be affected if the government imposes Covid restrictions. In such an event, the club will do its best to minimize its own costs related to affected events and pass those savings back to members in the form of reduced membership fees. In view of the effect of Covid on the economy and on the finances of many families, the club has kept membership fees low by removing many peripheral costs and focusing spending on the core elements of the membership packages.

UNIFORM

Uniform is not included in the membership fees. Players purchase their own uniform including jersey, pants, baseball cap, belt. [See more information about purchasing uniform.](#)

HOW TO PAY

DIRECT DEBIT

Our members pay membership fees by Direct Debit. Using direct debit simplifies our administration, reduces our costs, and enables us to offer flexible payment arrangements. Our Direct Debit service provider is [GoCardless](#) whose customers include Virgin, Thomas Cook, The Guardian, HM Government and 30,000+ other organisations around the UK and Europe.

If you have not already completed a Direct Debit authorisation form, after you register online as a Club member, you will receive an email from GoCardless. Please click on the link in that email and follow the instructions to authorise the Direct Debit mandate.

Your membership fee will be paid in two direct debit payments:

- First instalment - not earlier than 1 April equal to half of your membership fee
- Second instalment – not earlier than 1 June equal to half of your membership fee

If your account balance is £30 or lower, it will be paid in one Direct Debit payment in April.

Your payments to Herts Baseball Club are protected by the [Direct Debit Guarantee](#). In particular, you will receive an email notification three days prior to any payment, and if you believe a payment has been taken in error, you can request an immediate refund.

Direct Debits must be maintained throughout the season until 31 October otherwise the £10 surcharge applicable to other payment methods will apply.

If you have any questions about Direct Debit or membership fees in general, please [contact us](#).

OTHER PAYMENT METHODS

If, instead of Direct Debit, you wish to pay by bank transfer [please contact us](#). The full amount will be due at the time of registration. If you choose to pay by bank transfer and we don't receive full payment within 14 days of your registration, a £10 administrative surcharge will be billed automatically to your account.

CANCELLATION AND REFUND

If you cancel your membership, the membership fee is **not** refundable and remains payable in full.

LATE PAYMENT CHARGE

If a payment is not received on time, the Club reserves the right to apply a late payment charge of £10 per month to that member's account from the month it became due until the outstanding balance is paid in full.

SUSPENSION FOR FAILURE TO PAY

A member who fails to make payment on time due to failure to maintain Direct Debits or for other reasons, will be suspended and will be ineligible to play until payment arrangements are made.

PAYMENT DIFFICULTIES

If you expect that you will not be able to make payment on time (e.g. due to cash flow or other difficulties), please [contact the club](#) to agree a suitable payment plan. The Club does not want membership fees to be a barrier to anyone playing and enjoying baseball.
