HERTS YOUTH TEAM MANAGER (NW LONDON)

Location	Home games and training sessions at the Herts venue in North West London. Away league games at venues in and around London.
Financial terms	£100 per season
Employment status	Self-employed status in accordance with HMRC guidelines. Self-employed individuals are responsible for calculating and paying their own tax and NICs on any payments made to them.
Time commitment	Between 12 and 15 events (games and/or training), from March to mid-July and then 2 weeks in September. Games/training sessions take place on Saturdays and last around 3 or 4 hours each. They usually start at 10:00am and end around 2:00pm.
Project description	<p>Herts Baseball Club enters teams of various age groups into the respective regional, national and international league competitions.</p> <p>The aim is to give the team the full baseball experience of playing for a team in competitions during the baseball season. This is part of the club's player development system where players join the club and grow through the ranks alongside their teammates in a family-friendly and enjoyable baseball environment. The team welcomes all players regardless of whether they are aiming to play at the highest level or simply enjoy being part of the team and the club.</p>
Responsibilities	<ul style="list-style-type: none">• Plan and run safe, effective and enjoyable training sessions.• Build team spirit and encourage participation.• Develop individuals' skills, confidence and fitness.• Manage the team during games and set tactics.• Manage the use of team and field equipment• Communicate event and other details to players and their parents by email, telephone, in person or using the club's online tools.• Manage and monitor player availability for upcoming events• Appoint coaches and other assistants and delegate duties accordingly, including appointing a deputy when away• Promote fair play, team standards and Codes of Conduct.

Skills required	<ul style="list-style-type: none">• Good communication skills• Reliability and responsibility• Be a good role model• Enthusiasm• Good management and organisational skills.• Friendliness and approachability.
Qualifications required	<ul style="list-style-type: none">• Candidates with previous experience as a baseball coach will be given priority but all applicants will be considered regardless of the level of their coaching experience.
Special conditions	<ul style="list-style-type: none">• This project involves work with children and the successful candidate must carry out a Disclosure and Barring Service (DBS) check (previously CRB-check). If you don't have an up-to-date DBS certificate, we can assist with the DBS-check process, free of charge.
